Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On August 22, 2019, VMware, Inc. (the “Company”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) by and among the Company, Calistoga Merger Corp., a wholly owned subsidiary of the Company (“Merger Sub”), and Carbon Black, Inc. (“Carbon Black”). Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Merger Sub will commence a cash tender offer (the “Offer”) to purchase all of the outstanding shares of common stock, par value \$0.001 per share, of Carbon Black (“Carbon Black Common Stock”) at a price per share of \$26.00 (such amount, or any other amount per share paid in the Offer in accordance with the Merger Agreement, the “Offer Price”), net to the holders of Carbon Black Common Stock in cash, without interest and subject to any required withholding of taxes (the “Merger Consideration”).

Promptly following the consummation of the Offer, upon the terms and subject to the conditions of the Merger Agreement, Merger Sub shall, in accordance with section 251(h) of the Delaware General Corporation Law (the “DGCL”), merge with and into Carbon Black (the “Merger”), with Carbon Black surviving the Merger and each share of Carbon Black Common Stock that is not validly tendered and irrevocably accepted for payment pursuant to the Offer will be converted into the right to receive the Merger Consideration.

Under the terms of the Merger Agreement, Merger Sub’s obligation to accept and pay for any shares of Carbon Black Common Stock pursuant to the Offer is subject to customary conditions, including, among others, (i) the condition that, prior to the expiration of the Offer, the number of shares of Carbon Black Common Stock validly tendered and not properly withdrawn (but excluding shares tendered pursuant to guaranteed delivery procedures that have not yet been “received” by the “depository,” as such terms are defined in section 251(h)(6) of the DGCL), together with any shares of Carbon Black Common Stock otherwise owned by Merger Sub or its “affiliates” (as defined in section 251(h)(6) of the DGCL), represent at least a majority of the shares of Carbon Black Common Stock outstanding immediately following the consummation of the Offer (the “Minimum Condition”); (ii) no law or order is in effect that has the effect of restraining, enjoining or otherwise prohibiting consummation of the Offer or the Merger; (iii) the expiration or termination of the required waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the receipt of all other required approvals, consents or clearances under specified foreign merger control laws; (iv) the accuracy of Carbon Black’s representations and warranties in the Merger Agreement, subject to specified materiality qualifications; (v) compliance by Carbon Black with its covenants in the Merger Agreement in all material respects; and (vi) the absence of any changes that have (or would reasonably be expected to have) a material adverse effect on the business, results of operations, assets or condition (financial or otherwise) of Carbon Black and its subsidiaries taken as a whole (subject to customary carveouts) that is continuing as of immediately prior to the expiration of the Offer.

The Merger Agreement and the consummation of the transactions contemplated thereby have been unanimously approved by the Carbon Black board of directors, and the Carbon Black board of directors has resolved to recommend to the stockholders of Carbon Black to accept the Offer and tender their shares of Carbon Black Common Stock in the Offer. Carbon Black has agreed not to solicit alternative transactions, subject to customary exceptions.

The Merger Agreement provides that at the effective time of the Merger, (1) all outstanding vested options with a per share exercise price less than the Merger Consideration relating to Carbon Black Common Stock other than rollover options, as defined in the Merger Agreement, will be cancelled and the holders will be entitled to receive the Merger Consideration in respect of each “net share” covered by such option (as determined in accordance with the formula in the Merger Agreement), less applicable withholding of taxes, (2) all outstanding unvested options relating to Carbon Black Common Stock with a per share exercise price less than the Merger Consideration held by continuing employees (as defined in the Merger Agreement), (“rollover options”), and unvested restricted stock units relating to Carbon Black Common Stock held by continuing employees will be substituted by the Company and converted into corresponding awards (with any incentive stock options converted to nonqualified stock options) relating to Company Class A common stock in accordance with the terms set forth in the Merger Agreement, (3) all outstanding restricted stock units relating to Carbon Black Common Stock that are not converted into awards relating to Company Class A common stock will be cancelled, (4) any restricted Carbon Black Common Stock will be cancelled and the holders will be entitled to receive the Merger Consideration subject to the same vesting schedule and (5) all outstanding options relating to Carbon Black Common Stock with a per share exercise price equal to or greater than the Merger Consideration or held by non-continuing employees shall be cancelled for no consideration.

The Merger Agreement contains representations, warranties and covenants of the Company, Merger Sub and Carbon Black that are customary for a transaction of this nature, including among others, covenants by Carbon Black regarding the conduct of its business during the pendency of the transactions contemplated by the Merger Agreement, public disclosures and other matters.

The Merger Agreement contains certain termination rights of the Company and Carbon Black. If the Merger Agreement is terminated under specified circumstances, including by Carbon Black (subject to the terms and conditions of the Merger Agreement) should Carbon Black enter into an alternative transaction with respect to a "Takeover Proposal" (as defined in the Merger Agreement), Carbon Black will be required to pay the Company a termination fee of \$70,000,000 in cash.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated by reference herein. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company, Merger Sub or Carbon Black. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by each of the Company and Carbon Black to each other in connection with the signing of the Merger Agreement or in filings of the parties with the SEC. These confidential disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties and certain covenants set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purposes of allocating risk between the Company and Carbon Black rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement should not be relied on as characterization of the actual state of facts about the Company, Merger Sub or Carbon Black.

Support Agreements

Concurrently with the execution of the Merger Agreement, the directors, executive officers and certain entities affiliated with Atlas Venture (collectively, the "Stockholders") entered into Tender and Support Agreements (the "Support Agreements") with the Company and Merger Sub pursuant to which, among other things and subject to the conditions in the Support Agreements, such Stockholders agreed to tender in the Offer the shares of Carbon Black Common Stock beneficially owned by them, which in the aggregate represent approximately 19.97% of the outstanding shares of Carbon Black Common Stock.

At any annual or special meeting of the stockholders of Carbon Black, and at any adjournment or postponement thereof, or in connection with any action proposed to be taken by written consent of the stockholders of Carbon Black, the Stockholders agreed to (or agreed to cause the applicable holder of record to) irrevocably and unconditionally be present (in person or by proxy) and vote, or exercise its right to consent with respect to, all shares of Carbon Black Common Stock held by such Stockholders (to the extent that any such Stockholders' shares are not purchased in the Offer and provided that the Offer price has not been decreased) (a) in favor of the adoption of the Merger Agreement and the approval of the Merger and (b) against any takeover proposal and any other proposal or action that would reasonably be expected to prevent, impede, interfere with or delay the Merger or change the voting rights of any class of shares.

The Support Agreement terminates upon certain events, including the termination of the Merger Agreement in accordance with its terms. The Stockholders have also conveyed to both the Company and Carbon Black that they intend to tender into the Offer.

The foregoing description of the Support Agreement does not purport to be complete and is qualified in its entirety by the full text of the Support Agreements, a copy of which is filed as Exhibit 10.1 hereto and is incorporated by reference herein.

Dell's wholly owned subsidiaries, EMC Corporation and VMW Holdco LLC, are the sole Class B common stockholders.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements that are based on the Company's current expectations, including, among other things, statements regarding the expected tender offer and consummation of the acquisition of Carbon Black, the payment of any consideration in connection therewith, the expected treatment of outstanding Carbon Black equity awards, the required payment by Carbon Black of a termination fee in the event of any Takeover Proposal, the effect of the Support Agreements, and any assumptions underlying any of the foregoing. Actual results could differ materially from those projected in the forward-looking statements as a result of certain risk factors, including but not limited to (1) the satisfaction or waiver of the conditions to closing the proposed acquisition (including the failure to obtain necessary regulatory approvals) in the anticipated timeframe or at all; (2) uncertainties as to how many of Carbon Black's stockholders will tender their shares in the tender offer; (3) the possibility that the acquisition does not close; (4) the possibility that competing offers may be made; (5) risks related to obtaining the requisite consents to the acquisition, including, without limitation, the timing (including possible delays) and receipt of regulatory approvals from various governmental entities (including any conditions, limitations or restrictions placed on these approvals and the risk that one or more governmental entities may deny approval); (6) risks related to the ability to realize the anticipated benefits of the proposed acquisition, including the possibility that the expected benefits from the proposed acquisition will not be realized or will not be realized within the expected time period; (7) the risk that the business will not be integrated successfully; (8) disruption from the transaction making it more difficult to maintain business and operational relationships; (9) negative effects of this announcement or the consummation of the proposed acquisition on the market price of VMware's common stock, credit ratings and operating results; (10) the risk of litigation and regulatory actions related to the proposed acquisition; (11) other business effects, including the effects of industry, market, economic, political or regulatory conditions; (12) other unexpected costs or delays in connection with the acquisition. These forward-looking statements are made as of the date of this Current Report on Form 8-K, are based on current expectations and are subject to uncertainties and changes in condition, significance, value and effect as well as other risks detailed in documents filed with the Securities and Exchange Commission, including the Company's most recent reports on Form 10-K and Form 10-Q and Current Reports on Form 8-K that the Company has filed and may file from time to time, which could cause actual results to vary from expectations. The Company assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this Current Report on Form 8-K.

AGREEMENT AND PLAN OF MERGER

This Agreement and Plan of Merger, dated as of August 22, 2019, is by and among VMware, Inc., a Delaware corporation (“**Parent**”), Calistoga Merger Corp., a Delaware corporation and a wholly owned subsidiary of Parent (“**Merger Sub**”), and Carbon Black, Inc., a Delaware corporation (the “**Company**”).

Parent desires to acquire the Company on the terms and subject to the conditions set forth in this agreement.

In furtherance of the acquisition of the Company by Parent, upon the terms and subject to the conditions set forth in this agreement, Parent has agreed to cause Merger Sub to commence a cash tender offer (as it may be extended and amended from time to time as permitted under, or required by, this agreement, the “**Offer**”) to purchase all of the outstanding shares of common stock, par value \$0.001 per share, of the Company (the “**Company Common Stock**”) at a price per share of \$26.00 (such amount, or any other amount per share paid in the Offer in accordance with this agreement, the “**Offer Price**”), net to the seller in cash, without interest and subject to any required withholding of Taxes.

It is also proposed that following the consummation of the Offer, Merger Sub shall, in accordance with section 251(h) of the Delaware General Corporation Law (the “**DGCL**”), merge with and into the Company (the “**Merger**”), with the Company surviving the Merger and each share of Company Common Stock that is not validly tendered and irrevocably accepted for payment pursuant to the Offer (except as otherwise provided herein) will be converted into the right to receive the Offer Price.

Parent, Merger Sub and the Company acknowledge and agree that the Merger shall be governed by and effected under section 251(h) of the DGCL and, subject to the terms of this agreement, effected as soon as practicable following the consummation (as defined in section 251(h) of the DGCL) of the Offer;

The board of directors of the Company (the “**Company Board**”) has unanimously (i) determined that the Offer, the Merger and the other transactions contemplated hereby (collectively, the “**Merger Transactions**”) are fair to and in the best interests of the Company and its stockholders, (ii) approved this agreement and the Merger Transactions and declared it advisable that the Company enter into this agreement and consummate the Merger Transactions, (iii) resolved that this agreement and the Merger shall be governed by and effected under section 251(h) of the DGCL and (iv) resolved to recommend that the Company’s stockholders tender their shares of Company Common Stock in the Offer (such recommendation, the “**Company Board Recommendation**”).

The board of directors of Merger Sub has approved and declared it advisable for Merger Sub to enter into this agreement and consummate the Merger Transactions.

The board of directors of Parent has approved this agreement and the Merger Transactions and Parent, in its capacity as the sole stockholder of Merger Sub, has agreed to approve the adoption of this agreement.

Concurrently with the execution of this agreement, and as a condition and inducement to Parent’s and Merger Sub’s willingness to enter into this agreement, certain stockholders of the Company are entering into agreements with Parent and Merger Sub pursuant to which, among other things and subject to the conditions in such agreements, such stockholders are irrevocably agreeing to tender in the Offer the shares of Company Common Stock beneficially owned by them (as the same may be amended from time to time pursuant to their respective terms, the “**Support Agreements**”).

The Company, Parent and Merger Sub desire to make certain representations, warranties, covenants and agreements in connection with this agreement.

The parties therefore agree as follows:

ARTICLE I

THE MERGER TRANSACTIONS

1.1 The Offer

(a) Upon the terms and subject to the conditions of this agreement, as promptly as reasonably practicable following the date hereof, but in any event no later than the tenth Business Day after the initial public announcement of the execution of this agreement (subject to the Company having timely provided any information required to be provided by it pursuant to section 1.1(i) and section 1.2(d)), Merger Sub shall, and Parent shall cause Merger Sub to, commence, within the meaning of Rule 14d-2 under the Exchange Act, the Offer. The obligations of Merger Sub, and of Parent to cause Merger Sub, to accept for payment, and pay for, any shares of Company Common Stock validly tendered and not properly withdrawn pursuant to the Offer are subject only to the satisfaction or waiver (to the extent permitted under this agreement) of the conditions set forth in annex I (as they may be amended in accordance with this agreement, the “**Offer Conditions**”).

(b) Parent and Merger Sub reserve the right, to the extent permitted by Law, at any time, to waive, in whole or in part, any Offer Condition (other than the Minimum Condition) or to modify the terms of the Offer in any manner; except that, without the prior written consent of the Company, neither Parent nor Merger Sub shall (i) reduce the maximum number of shares of Company Common Stock sought to be purchased in the Offer, (ii) reduce the Offer Price or change the form of consideration payable in the Offer, (iii) change, modify or waive the Minimum Condition, (iv) impose conditions to the Offer that are in addition to the Offer Conditions, or modify or amend any existing Offer Condition in a manner adverse to the holders of the Company Common Stock, (v) except as otherwise required or permitted by section 1.1(d), extend or otherwise change the Expiration Time, (vi) provide for any “subsequent offering period” within the meaning of Rule 14d-11 under the Exchange Act, (vii) increase the Offer Price, except following an Adverse Recommendation Change or the Company’s delivery to Parent of a notice of a Superior Proposal or in the event that Merger Sub is permitted to extend the Offer pursuant to section 1.1(d)(i)(2), or (viii) otherwise amend, modify or supplement the Offer in any manner adverse to the holders of Company Common Stock. The Offer may not be terminated prior to its scheduled Expiration Time, unless this agreement is terminated in accordance with article VII.

(c) The Offer shall initially expire at midnight (New York City time) at the end of the day that is 20 Business Days (calculated in accordance with Rule 14d-1(g)(3) under the Exchange Act) following the commencement of the Offer (such initial expiration date and time of the Offer, the “**Initial Expiration Time**”) or, if the Offer has been extended pursuant to and in accordance with section 1.1(d), the date and time to which the Offer has been so extended (the Initial Expiration Time, or such later expiration date and time to which the Offer has been so extended, the “**Expiration Time**”).

(d) Merger Sub shall, and Parent shall cause Merger Sub to, extend the Offer (i) if on the then scheduled Expiration Time, the Minimum Condition has not been satisfied or any of the other Offer Conditions has not been satisfied or waived by Parent or Merger Sub if permitted hereunder, for one or more occasions in consecutive increments of up to fifteen Business Days each, as determined by Merger Sub in its sole discretion, in order to permit the satisfaction of such Offer Conditions (subject to the right of Parent or Merger Sub to waive any Offer Condition, other than the Minimum Condition); provided, however, that (1) Merger Sub shall not be required to extend the Offer to a date later than the Outside Date and (2) if all of the Offer Conditions (other than the Minimum Condition and other than those conditions that by their nature are to be satisfied at the Expiration Time, but subject to such conditions being able to be satisfied) have been satisfied or waived, Merger Sub shall not be required to (but notwithstanding anything to the contrary in this agreement, in its sole discretion may) extend the Offer to a date later than the earlier of (x) the Outside Date and (y) the date that is twenty Business

Days after the date that all of the Offer Conditions (other than the Minimum Condition and other than those conditions that by their nature are to be satisfied at the Expiration Time, but subject to such conditions being able to be satisfied) have been satisfied or waived, and (ii) if required by any rule, regulation, interpretation or position of the SEC, the staff thereof or the Nasdaq Global Select Market (the “**Nasdaq**”) or the New York Stock Exchange (the “**NYSE**”), except that Merger Sub shall not be required to extend the Offer to a date later than the Outside Date. No extension pursuant to this section 1.1(d) shall be deemed to impair, limit, or otherwise restrict in any manner the rights of the parties hereto to terminate this agreement pursuant to the terms of article VII.

(e) On the terms and subject to the conditions of this agreement, (i) at or as promptly as practicable following the Expiration Time, Merger Sub shall, and Parent shall cause Merger Sub to, irrevocably accept for payment (the time of acceptance for payment, the “**Offer Acceptance Time**”) all shares of Company Common Stock validly tendered and not properly withdrawn pursuant to the Offer and (ii) at or as promptly as practicable following the Offer Acceptance Time (but in any event within three Business Days (calculated as set forth in Rule 14d-1(g)(3) under the Exchange Act) thereafter) Merger Sub shall, and Parent shall cause Merger Sub to, pay for all shares of Company Common Stock validly tendered and not properly withdrawn pursuant to the Offer, in each case without interest and subject to any applicable withholding of Taxes. Parent shall provide or cause to be provided to Merger Sub, on a timely basis, the funds necessary to purchase any shares of Company Common Stock that Merger Sub becomes obligated to purchase pursuant to the Offer.

(f) The Offer Price payable in respect of each share of Company Common Stock shall be paid on the terms and subject to the conditions of this agreement. The Company agrees that no shares of Company Common Stock held by the Company or any of its Subsidiaries will be tendered pursuant to the Offer.

(g) Unless this agreement is terminated pursuant to article VII, neither Parent nor Merger Sub shall terminate or withdraw the Offer prior to any scheduled Expiration Time without the prior written consent of the Company. In the event this agreement is terminated pursuant to article VII, Merger Sub shall promptly following such termination irrevocably and unconditionally terminate the Offer and shall not acquire any shares of Company Common Stock pursuant thereto. If the Offer or this agreement is terminated in accordance with this agreement, Merger Sub shall promptly return, or cause any depository acting on behalf of Merger Sub to promptly return, all tendered shares of Company Common Stock to the tendering stockholders in accordance with applicable Law.

(h) The Offer Price shall be adjusted appropriately and proportionately to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or other distribution of securities convertible into Company Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other similar change with respect to the Company Common Stock occurring on or after the date of this agreement and at or prior to the Offer Acceptance Time, and such adjustment to the Offer Price shall provide to the holders of shares of Company Common Stock the same economic effect as contemplated by this agreement prior to such action.

(i) On the date of commencement of the Offer (within the meaning of Rule 14d-2 under the Exchange Act), Parent and Merger Sub shall file with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer (together with all amendments and supplements thereto and including exhibits thereto, the “**Schedule TO**”), which shall contain or incorporate by reference an offer to purchase and a related letter of transmittal and other appropriate ancillary offer documents (such Schedule TO and the documents included therein pursuant to which the Offer will be made, together with any supplements or amendments thereto, the “**Offer Documents**”), and cause the Offer Documents to be disseminated to the holders of Company Common Stock as and to the extent required by United States federal securities Laws. The Company shall promptly furnish or otherwise make available to Parent or Parent’s legal counsel upon request all information concerning the Company that is required by the Exchange Act or other applicable Law to be set forth in the Offer Documents and all other information concerning the Company that may be reasonably requested by Parent for inclusion in the Offer Documents. Each of Parent, Merger Sub and the Company shall promptly correct any information supplied by it

[Table of Contents](#)

or on its behalf for inclusion or incorporation by reference in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect, and each of Parent and Merger Sub shall take all steps necessary and use all reasonable efforts to promptly amend or supplement the Offer Documents and to cause the Offer Documents as so amended or supplemented to be filed with the SEC and disseminated to the holders of Company Common Stock, in each case as and to the extent required by applicable Law. Parent and Merger Sub shall promptly notify the Company upon the receipt of any comments from the SEC, or any request from the SEC for amendments or supplements, to the Offer Documents, and shall promptly provide the Company with copies of all written correspondence and summaries of all material oral communications between them and their respective Representatives, on the one hand, and the SEC, on the other hand. Unless there has been an Adverse Recommendation Change, prior to the filing of the Offer Documents with the SEC or dissemination thereof to the holders of Company Common Stock, or responding to any comments of the SEC with respect to the Offer Documents, Parent and Merger Sub shall provide the Company and its counsel a reasonable opportunity to review and comment on such Offer Documents or response, and Parent and Merger Sub shall give reasonable consideration to any such comments. Unless the Offer has been terminated in accordance with the terms of this agreement, if Parent or Merger Sub receives any comments from the SEC or its staff with respect to the Offer Documents, then each shall use its commercially reasonable efforts to respond promptly to such comments.

1.2 Company Actions

(a) The Company hereby approves of and consents to the Offer, the Merger and the other Merger Transactions and consents to the inclusion in the Offer Documents of the Company Board Recommendation.

(b) On the date the Offer Documents are filed with the SEC, the Company shall, concurrently with the filing of the Schedule TO, file with the SEC a Solicitation/Recommendation Statement on Schedule 14D-9 with respect to the Offer (together with all amendments and supplements thereto and including exhibits thereto, the "**Schedule 14D-9**") containing, subject to section 5.3, the Company Board Recommendation and shall cause the Schedule 14D-9 to be disseminated to the holders of Company Common Stock as and to the extent required by United States federal securities Laws, including Rule 14d-9 under the Exchange Act. Each of Parent and Merger Sub shall promptly furnish or otherwise make available to the Company or the Company's legal counsel upon request all information concerning Parent and Merger Sub that is required by the Exchange Act or other applicable Law to be set forth in the Schedule 14D-9 and all other information concerning Parent and Merger Sub that may be reasonably requested by the Company for inclusion in the Schedule 14D-9. Each of the Company, Parent, and Merger Sub shall promptly correct any information supplied by it or on its behalf for inclusion or incorporation by reference in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall take all steps necessary and use all reasonable efforts to promptly amend or supplement the Schedule 14D-9 and to cause the Schedule 14D-9 as so amended or supplemented to be filed with the SEC and disseminated to the holders of Company Common Stock, in each case as soon as and to the extent required by applicable Law. The Company shall promptly notify Parent upon the receipt of any comments from the SEC, or any request from the SEC for amendments or supplements, to the Schedule 14D-9, and shall promptly provide Parent with copies of all written correspondence and summaries of all material oral communications between the Company and its Representatives, on the one hand, and the SEC, on the other hand. Prior to the filing of the Schedule 14D-9 and any amendment or supplement thereto (that does not contain or relate to an Adverse Recommendation Change) with the SEC or dissemination thereof to the holders of Company Common Stock, or responding to any comments of the SEC with respect to the Schedule 14D-9, the Company shall provide Parent, Merger Sub and their counsel a reasonable opportunity to review and comment on the Schedule 14D-9 or amendment or supplement or response, and the Company shall give reasonable consideration to any such comments. Unless the Offer has been terminated in accordance with the terms of this agreement, in the event that the Company receives any comments from the SEC or its staff with respect to the Schedule 14D-9, then it shall use its commercially reasonable efforts to respond promptly to such comments.

[Table of Contents](#)

(c) The Schedule 14D-9 shall also contain and constitute the notice to holders of Company Common Stock of the availability of appraisal rights in connection with the Merger required to be delivered to such holders by section 262(d) of the DGCL. The Company shall set the record date for the holders of Company Common Stock to receive such notice of appraisal rights as the same date as the Stockholder List Date and shall disseminate the Schedule 14D-9 including such notice of appraisal rights to such holders to the extent required by section 262(d) of the DGCL.

(d) The Company shall, or shall cause its transfer agent to, furnish Parent and Merger Sub and their agents promptly (and in any event no later than five Business Days) after the date of this agreement and from time to time thereafter as requested by Parent or Merger Sub with mailing labels containing the names and addresses of the record holders of Company Common Stock as of the latest practicable date and of those persons becoming record holders subsequent to such date, together with copies of all lists of stockholders, security position listings and computer files and all other information in the Company's possession or control regarding the beneficial owners of Company Common Stock, in each case as of the latest date practicable, and shall promptly furnish to Parent and Merger Sub such other information and assistance (including periodically updated lists of stockholders, security position listings and computer files) as Parent or Merger Sub may reasonably request in connection with the Offer. The date of the list of stockholders used to determine the Persons to whom the Offer Documents and the Schedule 14D-9 are first disseminated is referred to as the "**Stockholder List Date**". Subject to the requirements of applicable Law, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Merger Transactions, Parent and Merger Sub and their Representatives shall use the information contained in any such labels, listings and files only in connection with the Merger Transactions, shall treat such information and materials in accordance with the terms and conditions of the Confidentiality Agreement, and, if this agreement is terminated, shall destroy all copies of such information then in their possession or under their control promptly upon the written request of the Company.

1.3 The Merger. Upon the terms and subject to the conditions set forth in this agreement, and in accordance with the DGCL, at the Effective Time, (a) Merger Sub shall be merged with and into the Company, (b) the separate corporate existence of Merger Sub shall cease and the Company shall continue its corporate existence under the DGCL as the surviving corporation in the Merger (the "**Surviving Corporation**") and (c) the Surviving Corporation shall become a wholly owned Subsidiary of Parent.

1.4 Closing. Subject to the satisfaction or waiver of all of the conditions to closing contained in article VI (other than those conditions that by their terms are to be satisfied at the Closing, but subject to such conditions being able to be satisfied), the closing of the Merger (the "**Closing**") shall take place remotely via electronic delivery of duly signed documents (a) at 7:00 a.m. (California time) as soon as practicable following the consummation (as defined in section 251(h) of the DGCL) of the Offer, but in any event no later than the third Business Day following such satisfaction or waiver of such conditions, or (b) at such other time as Parent and the Company may agree in writing. The date on which the Closing occurs is referred to as the "**Closing Date**".

1.5 Effective Time. On the Closing Date, Parent and the Company shall cause a certificate of merger (the "**Certificate of Merger**") to be executed, signed, acknowledged and filed with the Secretary of State of the State of Delaware in such form as is required by the relevant provisions of the DGCL, and shall make all other deliveries, filings or recordings required by the DGCL in connection with the Merger. The Merger shall become effective when the Certificate of Merger has been duly filed with and accepted by the Secretary of State of the State of Delaware or at such other subsequent date or time as Parent and the Company may agree and specify in the Certificate of Merger in accordance with the DGCL (the "**Effective Time**").

1.6 Merger Without Meeting of Stockholders. The Merger shall be governed by and effected under section 251(h) of the DGCL. The parties shall take all necessary and appropriate action to cause the Merger to become effective as soon as practicable following the consummation (within the meaning of section 251(h) of the DGCL) of the Offer, without a vote of the stockholders of the Company in accordance with section 251(h) of the DGCL.

1.7 **Effects of the Merger.** The Merger shall have the effects set forth in the DGCL, this agreement and the Certificate of Merger.

1.8 **Certificate of Incorporation.** At the Effective Time, the certificate of incorporation of the Company will be amended such that the certificate of incorporation of Merger Sub, as in effect immediately prior to the Effective Time, will be the certificate of incorporation of the Surviving Corporation, except that all references to Merger Sub shall be automatically amended and shall become references to the Surviving Corporation, until thereafter amended as provided by the DGCL and such certificate of incorporation.

1.9 **Bylaws.** At the Effective Time, the bylaws of Merger Sub, as in effect immediately prior to the Effective Time, will be the bylaws of the Surviving Corporation until thereafter amended as provided by the DGCL, the certificate of incorporation of the Surviving Corporation or such bylaws.

1.10 **Directors and Officers.** At the Effective Time, the directors and officers of Merger Sub, as constituted immediately prior to the Effective Time, will be the directors and officers of the Surviving Corporation, for so long as provided under the DGCL, the certificate of incorporation of the Surviving Corporation or the bylaws of the Surviving Corporation.

ARTICLE II

EFFECT OF THE MERGER ON CAPITAL STOCK

2.1 **Conversion of Capital Stock.** At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or the holder of any shares of capital stock of Merger Sub or the Company:

(a) **Conversion of Merger Sub Capital Stock.** Each share of capital stock of Merger Sub issued and outstanding immediately before the Effective Time shall be converted into and become one fully paid and non-assessable share of common stock, par value \$0.001 per share, of the Surviving Corporation. From and after the Effective Time, all certificates representing shares of capital stock of Merger Sub shall be deemed to represent for all purposes the number of shares of the common stock of the Surviving Corporation into which they were converted in accordance with the immediately preceding sentence.

(b) **Cancellation of Certain Shares.** Each share of Company Common Stock owned by the Company as treasury stock or owned by Merger Sub immediately before the Effective Time or that was irrevocably accepted by Merger Sub in the Offer (collectively, the “**Excluded Shares**”) shall be canceled automatically and shall cease to exist, and no consideration shall be paid for those Excluded Shares.

(c) **Conversion of Company Common Stock.**

(i) Each share of Company Common Stock issued and outstanding immediately before the Effective Time (other than Excluded Shares and Dissenting Shares) shall be converted automatically into and shall thereafter represent only the right to receive the Offer Price (the “**Merger Consideration**”), without interest and subject to any required withholding of Taxes, payable upon surrender of such shares in accordance with section 2.2.

(ii) All shares of Company Common Stock that have been converted pursuant to section 2.1(c)(i) shall be canceled automatically and shall cease to exist, and the holders of (A) certificates which immediately before the Effective Time represented such shares (the “**Certificates**”) or (B) shares represented by book-entry immediately before the Effective Time (the “**Book-Entry Shares**”) shall cease to have any rights with respect to those shares, other than the right to receive the Merger Consideration in accordance with section 2.2.

[Table of Contents](#)

(d) **Equitable Adjustment.** If at any time during the period between the date of this agreement and the Effective Time, any change in the number of outstanding shares of Company Common Stock shall occur as a result of any stock split, reverse stock split, stock dividend (including any dividend or other distribution of securities convertible into Company Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other similar change with respect to Company Common Stock, then the Merger Consideration shall be equitably adjusted to reflect such change.

2.2 Surrender of Certificates and Book-Entry Shares.

(a) **Paying Agent.** Not less than three Business Days before the Closing Date, Parent shall (i) select a bank or trust company, satisfactory to the Company in its reasonable discretion, to act as the paying agent for the payment of the amounts to be paid pursuant to this article II (the “**Paying Agent**”) and (ii) enter into a paying agent agreement with the Paying Agent on terms and conditions that are satisfactory to the Company in its reasonable discretion. Parent shall be responsible for all fees and expenses of the Paying Agent.

(b) **Payment Fund.** At or as promptly as practicable after the Effective Time, Parent shall deposit, or cause to be deposited, with the Paying Agent, for the benefit of the holders of Certificates and Book-Entry Shares, for payment in accordance with this article II by the Paying Agent, sufficient funds for the payment of the aggregate Merger Consideration (such funds provided to the Paying Agent are referred to as the “**Payment Fund**”).

(c) **Payment Procedures.**

(i) **Letter of Transmittal.** Promptly after the Effective Time, Parent shall cause the Paying Agent to mail the following to each holder of record of a share of Company Common Stock converted pursuant to section 2.1(c)(i): (A) a letter of transmittal in customary form, specifying that delivery shall be effected, and risk of loss and title to such holder’s shares shall pass only upon proper delivery of Certificates to the Paying Agent or, in the case of Book-Entry Shares, upon adherence to the procedures set forth in the letter of transmittal; and (B) instructions for surrendering such Certificates or Book-Entry Shares in exchange for payment of the Merger Consideration.

(ii) **Surrender of Shares.** Upon surrender of a Certificate or of a Book-Entry Share for cancellation to the Paying Agent, together with a duly executed letter of transmittal and any other documents reasonably required by the Paying Agent, the holder of that Certificate or Book-Entry Share shall be entitled to receive, and the Paying Agent shall promptly pay in exchange therefor, the Merger Consideration payable and issuable in respect of the number of shares formerly evidenced by that Certificate or such Book-Entry Share less any required withholding of Taxes. Any Certificates and Book-Entry Shares so surrendered shall be canceled immediately. No interest shall accrue or be paid on any amount payable upon surrender of Certificates or Book-Entry Shares.

(iii) **Unregistered Transferees.** If any Merger Consideration is to be paid and issued to a Person other than the Person in whose name the surrendered Certificate or Book-Entry Share is registered, then the Merger Consideration may be paid or issued to such a transferee so long as (A) the surrendered Certificate or Book-Entry Share, as applicable, shall be properly endorsed and presented to the Paying Agent or shall otherwise be in proper form for transfer and is accompanied by all documents reasonably required by Parent to evidence and effect that transfer and (B) the Person requesting such payment or issuance (x) pays any applicable transfer Taxes or (y) establishes to the reasonable satisfaction of Parent and the Paying Agent that all such transfer Taxes have already been paid or are not applicable.

(iv) **No Other Rights.** Until surrendered in accordance with this section 2.2(c), each Certificate and each Book-Entry Share in respect of shares of Company Common Stock converted into the right to receive Merger Consideration pursuant to section 2.1(c)(i) shall be deemed, from and after the Effective Time, to

[Table of Contents](#)

represent only the right to receive the Merger Consideration. The Merger Consideration paid upon the surrender of any Certificate or Book-Entry Share in accordance with the terms of this article II shall be deemed to have been paid and issued in full satisfaction of all rights pertaining to such Certificate or Book-Entry Share and, in the case of a Certificate, the shares of Company Common Stock formerly represented by it.

(d) **Lost, Stolen or Destroyed Certificates.** If any Certificate is lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and the execution and delivery by such Person of a customary indemnity agreement to provide indemnity against any claim that may be made against it with respect to such Certificate, the Paying Agent shall pay the Merger Consideration to such Person in respect of the shares of Company Common Stock represented by such Certificate as contemplated by this article II.

(e) **No Further Transfers.** At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of the shares of Company Common Stock that were outstanding immediately before the Effective Time.

(f) **Withholding.** Parent, Merger Sub, the Surviving Corporation, the depository for the Offer and the Paying Agent shall be entitled to deduct and withhold, or cause to be deducted and withheld, from any amounts otherwise payable under this agreement (pursuant to article I, this article II, or otherwise) such amounts as are required to be deducted or withheld therefrom under the Internal Revenue Code of 1986, as amended (the “Code”), or any applicable state, local or foreign Tax Law. To the extent that any amounts are so deducted and withheld and paid to the appropriate Governmental Authorities, those amounts shall be treated as having been paid to the Person in respect of whom such deduction or withholding was made for all purposes under this agreement.

(g) **No Liability.** Notwithstanding any provision of this agreement to the contrary, none of the parties hereto, the Surviving Corporation or the Paying Agent shall be liable to any Person for Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(h) **Investment of Payment Fund.** The Paying Agent shall invest the Payment Fund as directed by Parent; however no such investment or losses thereon shall affect the Merger Consideration payable to the holders of Company Common Stock immediately prior to the Effective Time and Parent shall promptly provide, or shall cause the Surviving Corporation to promptly provide, additional funds to the Paying Agent for the benefit of such holders of Company Common Stock in the amount of any such losses to the extent necessary to satisfy the obligations of Parent and the Surviving Corporation under this article II.

(i) **Termination of Payment Fund.** Parent is entitled to require the Paying Agent to return to Parent or Parent’s designee any portion of the Payment Fund that remains unclaimed by the holders of Certificates or Book-Entry Shares one year after the Effective Time. Thereafter, any holder of Certificates or Book-Entry Shares who has not complied with this article II shall look only to Parent or the Surviving Corporation, which shall remain responsible for payment and issuance of the applicable Merger Consideration. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Authority shall become, to the extent permitted by applicable Law, the property of Parent or its designee, free and clear of all claims of interest of any Person previously entitled thereto.

2.3 Company Equity Awards.

(a) Each option to purchase shares of Company Common Stock (each, a “**Company Option**”) that has been granted under any Company Stock Plan will, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders thereof, be treated as follows:

(i) immediately after the Effective Time, each portion of any Company Option that is not a Rollover Option and that was outstanding and vested immediately prior to the Effective Time and then

Table of Contents

exercisable for a per share exercise price less than the Merger Consideration that would be payable in respect of the Company Common Stock underlying such Company Option (any such portion of such Company Option, an **"In-the-Money Cash Out Option"**) will be canceled in exchange for payment to the holder of such Company Option of an amount in cash equal to the amount, if any, by which (A) the Merger Consideration that would be payable in accordance with section 2.1(c) in respect of the shares of Company Common Stock issuable upon exercise of such In-the-Money Cash Out Option had such In-the-Money Cash Out Option been exercised in full prior to the Effective Time exceeds (B) the aggregate exercise price for such In-the-Money Cash Out Option (such payment to be net of Tax withholdings) (the **"Company Option Cash Out Amount"**); and

(ii) as of the Effective Time, Parent shall, in a manner that is intended to satisfy the requirements of section 409A of the Code and the proposed and final Treasury Regulations thereunder, substitute the portion of any Company Option that is outstanding and unvested immediately prior to the Effective Time, is then held by a Continuing Employee and is exercisable for a per share exercise price less than the Merger Consideration that would be payable in respect of the Company Common Stock underlying such Company Option (any such portion of such Company Option, a **"Rollover Option"**) with an option to acquire, on the same material terms and conditions as were applicable to such Rollover Option as of immediately prior to the Effective Time (except (x) that any continued employment or service requirement will be based on the applicable Continuing Employee's continued employment or service (but excluding any consultants) with Parent or its Subsidiaries (including the Surviving Corporation) following the Closing and (y) as provided in clauses (A) and (B) below), the number of shares of Class A Common Stock of Parent (**"Parent Common Stock"**), rounded down to the nearest whole share, determined by multiplying the number of shares of Company Common Stock issuable upon the exercise in full of such Rollover Option as of immediately prior to the Effective Time by a fraction (such fraction, the **"Option Exchange Ratio"**), the numerator of which will be the Merger Consideration and the denominator of which will be equal to the average of the closing prices of Parent Common Stock on the New York Stock Exchange as reported on <https://www.nyse.com/quote/XNYS:VMW> for the ten trading days ending on (and inclusive of) the trading day that is five trading days immediately prior to the Closing Date, at an exercise price per share of Parent Common Stock equal to the quotient obtained by dividing (x) the per share exercise price of such Rollover Option, by (y) the Option Exchange Ratio, rounded up to the nearest whole cent (each, as so adjusted, a **"Substituted Option"**). The Substituted Options will continue to have, and be subject to, the same material terms and conditions as were applicable to the Rollover Option as of immediately prior to the Effective Time, except that:

(A) in the case of any Rollover Option that is intended to qualify as an incentive stock option under section 422 of the Code, the Substituted Option issued in exchange for such Rollover Option will not be an incentive stock option; and

(B) in the case of any Rollover Option that includes in its terms an early exercise feature, the Substituted Option issued in exchange for such Rollover Option will not contain an early exercise provision.

(b) All Company Options that are not In-the-Money Cash Out Options or Rollover Options will be canceled at the Effective Time without payment of any consideration.

(c) As of the Effective Time each unvested Company RSU that is then held by a Continuing Employee and remains outstanding immediately prior to the Effective Time will be substituted with a restricted stock unit covering Parent Common Stock (a **"Parent RSU"**). The number of shares of Parent Common Stock subject to a Parent RSU will be determined by multiplying the number of shares of Company Common Stock subject to the Company RSU immediately prior to the Effective Time by the Option Exchange Ratio and rounding down to the nearest whole share of Parent Common Stock. The Parent RSUs will continue to have, and be subject to, the

[Table of Contents](#)

same material terms and conditions as were applicable to the Company RSUs as of immediately prior to the Effective Time, except that:

(i) any continued employment or service requirement will be based on the applicable Continuing Employee's continued employment or service (but excluding any consultants) with Parent or its Subsidiaries following the Closing;

(ii) the vesting dates for the Parent RSUs will be changed following the Effective Time to occur on the first day of the applicable month in which the vesting for each Company RSU underlying such Parent RSU would have otherwise occurred; and

(iii) on, and only with respect to, the first such vesting date, an additional amount will vest equal to the number of Company RSUs, if any, that would have vested between the Closing Date and the first day of the calendar month next occurring thereafter had the original vesting schedule for the Company RSU remained in effect.

(d) All Company RSUs not substituted as of the Effective Time pursuant to section 2.3(c), will be canceled at the Effective Time without payment of any consideration; provided, however, that any Company RSU that is vested, but not settled, as of the Effective Time, shall be cancelled in exchange for payment to the holder of such Company RSU of an amount in cash equal to the Merger Consideration in accordance with section 2.3(i) ("**Vested Company RSU**").

(e) For any Company Common Stock that, immediately prior to the Effective Time, remains unvested or is subject to a repurchase option, risk of forfeiture or other condition on title or ownership under any applicable restricted stock purchase agreement or other Contract with the Company ("**Company Restricted Stock**") and is held by a Continuing Employee, an amount determined by multiplying the number of shares of Company Restricted Stock outstanding immediately prior to the Effective Time by the Merger Consideration Stock held by such Continuing Employee shall be withheld at the Closing by Parent from any consideration otherwise payable to such Continuing Employee, and become payable, without interest, on the same vesting schedule as was applicable to such Company Restricted Stock as of immediately prior to the Effective Time. The Company shall not permit any Company Restricted Stock to be tendered in the Offer.

(f) With respect to the Company's 2018 Employee Stock Purchase Plan (the "**Company ESPP**"), the Company will take all actions reasonably necessary to provide that (i) no new Offering (as defined in the Company ESPP) shall commence following the date of this agreement, (ii) no individual participating in the Company ESPP shall be permitted to (A) increase the amount of his or her rate of payroll contributions thereunder from the rate in effect as of the date of this agreement, or (B) make separate non-payroll contributions to the Company ESPP on or following the date of this agreement, and (iii) no individual who is not participating in the Company ESPP as of the date of this agreement may commence participation in the Company ESPP. No later than three Business Days prior to the Effective Time, the outstanding Offering that is in progress on such date shall terminate and be the final Offering under the Company ESPP and the accumulated payroll deductions of each participant under the Company ESPP will be returned to the participant by the Surviving Corporation pursuant to the terms of the Company ESPP, without the issuance of any shares of Company Common Stock or other Company Capital Stock.

(g) No later than 15 days after the Closing Date, Parent shall register the shares of Parent Common Stock issuable pursuant to Substituted Options and Parent RSUs on a registration statement on Form S-8 (if such Form is available).

(h) All Company Options, Company RSUs, rights under the Company ESPP and the Company Stock Plans will terminate as of the Effective Time, and, following the Effective Time, no holder of any Company Option or Company RSU or any participant in the Company ESPP or any other Company Stock Plan will have

[Table of Contents](#)

any right to acquire any equity securities of the Company, its Subsidiaries, or the Surviving Corporation as a result of such holder's Company Options, Company RSUs or other rights under any of the Company Stock Plans.

(i) Payment of the applicable portion of the Merger Consideration for each In-the-Money Cash Out Option and Vested Company RSU will be made as follows: No later than ten Business Days after the Closing Date, Parent shall, or shall cause the Surviving Corporation to, deliver to the holder of (i) any In-the-Money Cash Out Option the applicable portion of the Company Option Cash Out Amount, or (ii) any Vested Company RSU the applicable portion of Merger Consideration payable to the holder of such Vested Company RSU, in each case of clauses (i) and (ii), net of Tax withholdings. To the extent that such Taxes are so deducted or withheld and paid over to the appropriate Taxing Authority, the amounts thereof will be treated for all purposes hereunder as having been paid to the Person to whom such amounts would otherwise have been paid.

(j) Prior to the Expiration Time, the Company shall use commercially reasonable efforts to effect the treatment of Company Options and Company RSUs provided for under this section 2.3, under the Company Stock Plans, under all Contracts governing the terms of all Company Options or Company RSUs, and under any other applicable plan or arrangement to which the Company is a party or by which the Company may be bound with respect to such Company Options or Company RSUs, including (A) giving any required notice and obtaining any required consent contemplated thereby, and (B) at the request of Parent, sending to any holders of Company Options and Company RSUs notices drafted by Parent (and subject to reasonable review and approval by the Company, which approval will not be unreasonably withheld, conditioned or delayed) with respect to the treatment of such instruments under this agreement. (a) Upon reasonable advance written notice, the Company shall, and shall cause each of its Subsidiaries to, afford to Parent, Merger Sub and their respective Representatives reasonable access during normal business hours during the period from the date of this agreement until the earlier of the Effective Time or the valid termination of this agreement pursuant to article VII, to all their respective properties, assets, books, contracts, commitments, personnel and records and, during such period, the Company shall, and shall cause each of its Subsidiaries to, furnish promptly to Parent: (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal or state securities Laws and (ii) all other information concerning its business, properties and personnel as Parent or Merger Sub may reasonably request (including Tax Returns filed and those in preparation and the workpapers of its auditors). Nothing herein shall require the Company or any of its Subsidiaries to provide such access or information to the extent that such action (A) would reasonably be expected to result in a waiver of attorney-client privilege, work product doctrine or similar privilege, (B) specifically relates to the evaluation, deliberation or minutes of the Company Board (or any committee or subcommittee thereof) related to the Merger Transactions, the strategic

and financial alternatives process leading thereto, or any information or materials provided to the Company Board (or any committee or subcommittee thereof) in connection therewith or (C) would reasonably be expected to violate any applicable Law or any confidentiality obligation owing to a third party so long as the Company shall promptly notify Parent of any such confidentiality obligations or access restrictions and use commercially reasonable efforts to obtain the consent of such third party to provide such information and otherwise provide such access to Parent, if requested. No investigation pursuant to this section 5.2 shall affect any representation or warranty in this agreement of any party hereto or any condition to the obligations of the parties hereto.

(b) To the extent Parent requests further information or investigation of the basis of any potential violations of Law, including Laws related to export control and Applicable Anti-Corruption Laws, the Company shall, and shall cause its Subsidiaries to, cooperate with such request and make available any personnel or experts engaged by the Company or its Subsidiaries necessary to accommodate such request.

(c) The Company shall (i) notify Parent in writing as promptly as reasonably practicable after learning of any Legal Proceeding by any Person initiated against the Company or any of its Subsidiaries or, to the Knowledge of the Company, threatened against the Company, any of its Subsidiaries or any of their respective Representatives in their capacity as such (a “**New Litigation Claim**”); (ii) notify Parent of ongoing material developments in any New Litigation Claim and any Legal Proceeding that was existing prior to the date hereof and (iii) consult in good faith with Parent regarding the conduct of the defense of any New Litigation Claim and any Legal Proceeding that was existing prior to the date hereof. For purposes of this section 5.2(c), “participate” shall include the Company’s obligations to keep Parent apprised of proposed strategy and other significant decisions with respect to the litigation (to the extent that attorney-client privilege is not undermined or otherwise affected). Without Parent’s prior written consent, the Company shall not (A) waive any provision of the Company Organizational Documents providing for the Court of Chancery of the State of Delaware as the exclusive forum for any such litigation or (B) consent to the selection of an alternative forum other than the Court of Chancery of the State of Delaware for any such litigation. (d) Information disclosed under this section 5.2 and otherwise pursuant to this agreement shall be governed under the letter agreement regarding confidentiality, dated July 23, 2019, between Parent and the Company (the “**Confidentiality Agreement**”).

(e) Nothing contained in this agreement shall give Parent or Merger Sub, directly or indirectly, rights to control or direct the operations of the Company or any of its Subsidiaries before the Effective Time. Before the Effective Time, the Company shall, consistent with the terms and conditions of this agreement, exercise complete control and supervision over the operations of the Company and its Subsidiaries.

(f) The Company has provided to Parent all information, documents and materials made available by the Company (a) posted in the virtual data room for “Carbon Black” hosted by Merrill Corporation, each as accessible to Parent as of the date that is one Business Day prior to the date of this agreement or (b) delivered by or on behalf of the Company to Parent or Parent’s Representatives via electronic mail prior to the execution of this agreement, and the Company will provide Parent with full administrator access and assign over the virtual data room account at the Closing.

5.3 No Solicitation

(a) The Company shall, and shall cause each of its Subsidiaries and each of its and its Subsidiaries' Representatives to, immediately (i) cease and cause to be terminated any existing activities, discussions or negotiations with any Person (other than Parent and its Subsidiaries) conducted prior to the date of this agreement with respect to any Takeover Proposal or any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to a Takeover Proposal, (ii) terminate access by any Person (other than Parent and its Subsidiaries) to any physical or electronic data room relating to any Takeover Proposal or any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to a Takeover Proposal, and (iii) request that each such Person promptly return or destroy all non-public information previously furnished to such Person or any of its Representatives. The Company shall not modify, amend or terminate, or waive, release or assign, any provisions of any confidentiality or standstill agreement (or any similar agreement) to which the Company or any of its Subsidiaries is a party relating to any Takeover Proposal or any inquiry that constitutes or could reasonably be expected to lead to a Takeover Proposal and shall enforce the provisions of any such agreement, except that the Company shall be permitted on a confidential basis to release or waive any standstill obligations solely to the extent necessary to permit the other party thereto to submit a Takeover Proposal to the Company Board on a confidential basis. The Company shall provide prompt (and in any event within 24 hours) written notice to Parent of each such release or waiver of any standstill obligations, including in such notice the identities of the parties thereto and circumstances relating thereto.

(b) From and after the date hereof until the Offer Acceptance Time or, if earlier, the termination of this agreement in accordance with article VII, the Company shall not, and the Company shall cause each of its Subsidiaries and each of its and its Subsidiaries' Representatives not to, directly or indirectly (i) solicit, initiate or knowingly facilitate or encourage any inquiry, proposal or offer regarding, or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, a Takeover Proposal, (ii) enter into, continue or otherwise participate in any discussions or negotiations with, or furnish any information to, any Person in connection with a Takeover Proposal or any inquiries regarding or that could be reasonably expected to lead to a Takeover Proposal (other than to state that the Company is not permitted to have discussions) or (iii) execute or enter into any letter of intent, agreement in principle or Contract with respect to a Takeover Proposal (other than an Acceptable Confidentiality Agreement) (or resolve to or publicly propose to do any of the foregoing). Any breach of this section 5.3 by any Subsidiary of the Company or any Representative of the Company or any of its Subsidiaries shall be deemed a breach of this section 5.3 by the Company.

(c) Notwithstanding section 5.3(b) or any other provision of this agreement to the contrary (but subject to this section 5.3(c)), at any time after the date hereof until the Offer Acceptance Time, following the receipt by the Company of a written Takeover Proposal (which Takeover Proposal did not arise out of any material breach of section 5.3(a) or section 5.3(b) by the Company or any of its Subsidiaries or any of its or its Subsidiaries' Representatives):

(i) the Company and its Representatives shall be permitted to contact the Person making such Takeover Proposal, solely to clarify the terms of such Takeover Proposal; and

(ii) if the Company Board determines in good faith (A) that such Takeover Proposal constitutes or could reasonably be expected to lead to a Superior Proposal and (B) after consultation with outside legal counsel, that the failure to take the actions set forth in clauses (1) and (2) below with respect to such Takeover Proposal would reasonably be expected to be inconsistent with the Company Board's fiduciary duties to the Company's stockholders under applicable Law, then the Company may, in response to such Takeover Proposal, (1) furnish access and information with respect to the Company to the Person who has made such Takeover Proposal, and its Representatives, pursuant to an Acceptable Confidentiality Agreement, so long as any material non-public information provided under this clause (1) has previously been provided to Parent or is provided to Parent substantially concurrently with the time it is provided to such Person, and (2) participate in discussions and negotiations with such Person regarding such Takeover Proposal.

[Table of Contents](#)

(d) From and after the date of this agreement until the Offer Acceptance Time, the Company shall advise Parent orally and in writing of (i) the receipt (orally or in writing) of any Takeover Proposal or any inquiry, offer or proposal that would reasonably be expected to lead to a Takeover Proposal, specifying the terms and conditions thereof (including the identity of the Person making such Takeover Proposal or inquiry and each Person controlling such Person), and (ii) shall thereafter keep Parent reasonably informed of any changes or modifications to the financial or (other than immaterial changes or modifications) other terms and conditions of such Takeover Proposal or inquiry, offer or proposal, in each case also providing to Parent a copy of each written Takeover Proposal or inquiry, offer or proposal and any written changes or modifications thereto containing any terms or conditions of any proposals or proposed transaction agreements (including all schedules and exhibits thereto) relating to any Takeover Proposal or inquiry, offer or proposal, in each case as soon as practicable and in any event within 24 hours after the Company's receipt thereof. Without limiting any of the foregoing, the Company shall promptly (and in any event within 24 hours) notify Parent orally and in writing if it determines to begin providing information or to engage in discussions or negotiations concerning a Takeover Proposal pursuant to section 5.3(c).

(e) Except as set forth in section 5.3(f) and section 5.3(g), neither the Company Board nor any committee thereof shall (i) withdraw, qualify, modify or amend, or agree to or publicly propose to withdraw, qualify, modify or amend, the Company Board Recommendation in any manner adverse to Parent or (ii) approve, endorse or recommend, or declare advisable or publicly propose to approve, endorse, recommend or declare advisable, a Takeover Proposal (any action described in clauses (i) and (ii) being referred to as an "**Adverse Recommendation Change**") or (iii) approve, recommend or allow the Company to enter into any letter of intent, agreement in principle or Contract relating to a Takeover Proposal (other than an Acceptable Confidentiality Agreement) (an "**Acquisition Agreement**").

(f) Notwithstanding anything to the contrary in this agreement, the Company Board may, at any time before the Offer Acceptance Time, in response to a Superior Proposal received by the Company Board after the date of this agreement, make an Adverse Recommendation Change and terminate this agreement to simultaneously enter into a definitive Acquisition Agreement, but only if:

(i) neither the Company nor any of its Subsidiaries or any of their respective Representatives has materially breached any of the provisions of this section 5.3;

(ii) the Company Board has determined in good faith, after consultation with outside legal and financial advisors, that failure to do so would reasonably be expected to be inconsistent with the Company Board's fiduciary obligations to the Company's stockholders under applicable Law;

(iii) the Company shall have first provided at least four Business Days' prior written notice (the "**Notice Period**") to Parent that the Company is prepared to make an Adverse Recommendation Change and terminate this agreement to enter into an Acquisition Agreement with respect to a Superior Proposal, which notice shall include a copy of the written definitive agreements (including all exhibits and schedules and ancillary agreements) providing for the transaction that constitutes such Superior Proposal;

(iv) during the Notice Period, the Company has negotiated with Parent in good faith (if requested by Parent) to enable Parent to propose in writing such adjustments in the terms and conditions of this agreement or the Offer so that such Superior Proposal ceases to constitute a Superior Proposal; and

(v) following the end of the Notice Period (it being understood and agreed that any material change to the financial or other terms and conditions of such Superior Proposal shall require an additional notice to Parent and a new two Business Day period), and after considering such negotiations and any adjustments in the terms and conditions of this agreement or the Offer that have been agreed to in writing by Parent, the Company Board has determined in good faith that, after consultation with its financial advisor, such Superior Proposal continues to constitute a Superior Proposal.

(g) Notwithstanding anything to the contrary in this agreement, the Company Board may, at any time before the Offer Acceptance Time, make an Adverse Recommendation Change in response to an Intervening Event, but only if:

(i) the Company Board has determined in good faith, after consultation with its outside legal counsel, that failure to do so would reasonably be expected to be inconsistent with the Company Board's fiduciary obligations to the Company's stockholders under applicable Law;

(ii) the Company shall have first provided prior written notice to Parent for at least the duration of the Notice Period that the Company is prepared to make an Adverse Recommendation Change in response to such Intervening Event, which notice shall specify in reasonable detail the Intervening Event that renders an Adverse Recommendation Change necessary;

(iii) during the Notice Period, the Company has negotiated with Parent in good faith (if requested by Parent) to enable Parent to propose in writing such adjustments in the terms and conditions of this agreement or the Offer so that the failure to make such Adverse Recommendation Change would no longer reasonably be expected to be inconsistent with the Company Board's fiduciary obligations to the Company's stockholders under applicable Law; and

(iv) following the end of the Notice Period (it being understood and agreed that any material change to the conditions constituting such Intervening Event shall require an additional notice to Parent and a new two Business Day period), and after considering such negotiations and any adjustments in the terms and conditions of this agreement or the Offer that have been agreed to in writing by Parent, the Company Board has determined that, after consultation with its outside legal counsel, the failure to make such Adverse Recommendation Change continues to reasonably be expected to be inconsistent with the Company Board's fiduciary obligations to the Company's stockholders under applicable Law.

(h) Nothing contained in this section 5.3 or elsewhere in this agreement shall prohibit the Company, the Company Board or any committee or subcommittee thereof from (i) complying with Rules 14d-9 and 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act (any such disclosure (other than a "stop, look and listen" communication or similar communication of the type contemplated by section 14d-9(f) under the Exchange Act) being deemed to be an Adverse Recommendation Change unless in such disclosure the Company Board expressly reaffirms the Company Board Recommendation) or (ii) making any disclosure to the stockholders of the Company that the Company Board has determined in good faith, after consultation with outside legal advisors, failure to make would reasonably be expected to be inconsistent with the Company Board's fiduciary obligations to the Company's stockholders under applicable Law, so long as such disclosure is not an Adverse Recommendation Change, conditional or otherwise. For the avoidance of doubt, in no event shall the issuance of a "stop, look and listen" statement (or other similar statement pursuant to any requirement of applicable Law), without more, constitute an Adverse Recommendation Change.

5.4 Employee Matters

(a) Prior to the Effective Time, other than the employees set forth in section 5.4(a) of the Company Disclosure Schedule, the Company shall terminate the employment or consulting services of each individual who (i) Parent informs the Company has not accepted an offer of employment from Parent as of the Effective Time, or (ii) is mutually agreed by Parent and the Company, and shall therefore be a Non-Continuing Employee, effective as of no later than immediately prior to the Effective Time.

(b) Unless requested by Parent not to take such action at least three Business Days prior to the date on which the Company becomes an ERISA Affiliate of Parent, the Company Board shall adopt a resolution terminating the Company 401(k) Plan (and any other plan maintained by the Company or any member of the "controlled group" that is intended to be qualified under Code Section 401(a) and includes a cash or deferred arrangement intended to qualify under Code Section 401(k)) prior to the date on which the Company becomes an

[Table of Contents](#)

ERISA Affiliate of Parent (but not earlier than ten Business Days prior to such date) and shall provide evidence of such termination acceptable to Parent prior to the Closing, except that any such amendment, suspension or termination of the Company 401(k) Plan shall not impact the benefits required to be provided pursuant to section 5.4(c). Parent shall allow eligible rollover contributions to the Parent 401(k) Plan of account balances (in cash) under the Company 401(k) Plan. Immediately prior to the termination of the Company 401(k) Plan, the Company will have made all necessary payments to fund the contributions: (i) necessary or required to maintain the tax-qualified status of each such plan; (ii) for elective deferrals made pursuant to each such plan for the period prior to termination; and (iii) for any employer contributions (including any matching contributions) for the period prior to termination.

(c) From and after the Effective Time, Parent, in its sole discretion, shall either (i) continue (or cause the Surviving Corporation to continue) the Employee Benefit Plans of the Company on substantially the same terms as in effect immediately prior to the Effective Time or (ii) discontinue the Employee Benefit Plans and permit all employees of the Company or any of its Subsidiaries who remain employees of Parent or its Subsidiaries or who do not accept an offer of employment from Parent but have not been affirmatively terminated pursuant to section 5.4(a) (each, a **“Continuing Employee”** and collectively, the **“Continuing Employees”**) to participate in the benefit programs of Parent to the same extent as similarly situated employees of Parent or its Subsidiaries. From and after the Effective Time, with respect to any benefit plan maintained by Parent or its Subsidiaries that is not an Employee Benefit Plan and in which Continuing Employees are eligible to participate:

(i) Continuing Employees shall be given credit for service with the Company or its Subsidiaries with respect to paid time-off and severance as applicable;

(ii) With respect to any Continuing Employee who moves to any U.S. group health plans of Parent or its Subsidiaries on a date other than the first day of the plan year, Parent shall cause any pre-existing conditions and eligibility waiting periods under any such plan to be waived with respect to the Continuing Employees and their eligible dependents;

(iii) If applicable, unused vacation days accrued by exempt U.S. Continuing Employees through the Closing Date will be cashed-out by the Company in connection with the Closing, and such Continuing Employees will be subject to Parent’s non-accrued vacation policy applicable to all exempt U.S. employees; and

(iv) Unused vacation days, if any, accrued by all other Continuing Employees under the plans and policies of the Company and its Subsidiaries will carry over to Parent or the Surviving Corporation to the extent administratively practicable or legally required, and each such Continuing Employee shall be paid by Parent in cash for any accrued and unused vacation days that Parent determines are not administratively practicable or legally required to carry over.

(d) Parent agrees that each Continuing Employee shall, during the period commencing at the Effective Time and ending on the first anniversary of the Closing Date (the **“Continuation Period”**), be provided with an annual rate of base salary or base wage and an annual target cash bonus opportunity or commission plan that is in the aggregate no less favorable than the annual rate of base salary or base wage and the annual target cash bonus opportunity or commission plan, as applicable, provided to such Continuing Employee by the Company or any of its Subsidiaries immediately prior to the Effective Time; provided that such rate of base salary or base wage shall not be decreased during the Continuation Period.

(e) Parent further agrees, and shall cause the Surviving Corporation, to honor and abide by the terms of any severance and change in control plans, agreements and arrangements for the benefit of the Continuing Employees that are in effect and have been listed on section 5.4(e) of the Company Disclosure Schedule, unless otherwise agreed to between the applicable Continuing Employee and Parent.

(f) Parent agrees, and shall cause the Surviving Corporation, to determine the amount of the Company’s 2019 fiscal year annual bonuses (the **“2019 Bonuses”**) based on actual performance and the level of

[Table of Contents](#)

achievement of the applicable performance targets in accordance with the terms of the applicable Employee Benefit Plan and otherwise in the Ordinary Course of Business consistent with past practice, provided that the 2019 Bonuses shall be pro-rated based on a performance period commencing on January 1, 2019 and ending on the Closing Date. Parent agrees, and shall cause the Surviving Corporation, to pay the 2019 Bonuses at any time following the Effective Time but on or prior to the next payroll on or after January 31, 2020, subject to the Continuing Employee's continued employment through such date. Following the Effective Time, Continuing Employees shall (i) participate in Parent's bonus plans and programs and earn pro-rated bonus payments for the period commencing on the Closing Date and ending on January 31, 2020 and (ii) beginning February 1, 2020, participate in Parent's bonus plans and programs to the same extent as similarly situated employees of Parent or its Subsidiaries.

(g) Nothing in this section 5.4, whether express or implied, shall confer upon any current or former employee of the Company, Parent, the Surviving Corporation or any of their respective Subsidiaries or Affiliates, any rights or remedies including any right to employment or continued employment for any specified period, of any nature or kind whatsoever under or by reason of this section 5.4. No provision of this section 5.4 is intended to modify, amend or create any employee benefit plan of the Company, Parent, Surviving Corporation or any of their respective Subsidiaries or Affiliates.

5.5 Indemnification, Exculpation and Insurance.

(a) Parent and Merger Sub agree that all rights to indemnification, exculpation, and advancement of expenses existing in favor of the current or former directors and officers of the Company as provided in the Company Organizational Documents or in indemnification agreements with the directors and officers of the Company in the form attached to the Company's most recent annual report on Form 10-K for acts or omissions occurring prior to the Effective Time, including in respect of the Merger Transactions, shall be assumed and performed by the Surviving Corporation and shall continue in full force and effect until the later of six years after the Effective Time or the expiration of the applicable statute of limitations with respect to any such claims against directors or officers of the Company arising out of such acts or omissions, except as otherwise required by applicable Law.

(b) At or prior to the Effective Time, the Company shall purchase six-year prepaid "tail" policies on terms and conditions providing coverage retentions, limits and other material terms no less favorable than the current policies of directors' and officers' liability insurance and fiduciary liability insurance maintained by the Company with respect to matters arising at or prior to the Effective Time, except that the Company may not commit or spend on such "tail" policies annual premiums in excess of 250% of the annual premiums paid by the Company in its last full fiscal year prior to the date hereof for the Company's current policies of directors' and officers' liability insurance and fiduciary liability insurance (the "**Base Amount**"), and if such premiums for such "tail" policies would exceed 250% of the Base Amount, then the Company shall purchase policies that provide the maximum coverage available at an annual premium equal to 250% of the Base Amount. The Company shall in good faith cooperate with Parent prior to the Effective Time with respect to the procurement of such "tail" policies, including with respect to the selection of the broker, available policy price and coverage options. Parent shall cause the Surviving Corporation to maintain such policies in full force and effect for their full term and to honor the obligations thereunder.

(c) In the event that Parent, the Surviving Corporation or any of its successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all its properties and assets to any Person then, and in each such case, Parent shall cause proper provision to be made so that the successor and assign of Parent or the Surviving Corporation assumes the obligations set forth in this section 5.5.

5.6 Commercially Reasonable Efforts. Upon the terms and subject to the conditions set forth in this agreement and in accordance with applicable Law, each of the parties to this agreement shall use its

commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to ensure that, as promptly as practicable, the Offer Conditions and the conditions set forth in article VI are satisfied and to consummate the Merger Transactions as promptly as practicable, including by preparing and filing promptly and fully all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents.

5.7 Consents; Filings; Further Action

(a) Upon the terms and subject to the conditions of this agreement and in accordance with applicable Law, each of the parties to this agreement shall use its commercially reasonable efforts to promptly (i) obtain any consents, approvals, registrations, waivers, permits, orders or other authorizations from, and make any filings and notifications with, any Governmental Authority or third party necessary, proper or advisable under applicable Law to consummate the Merger Transactions, (ii) make any other submissions necessary, proper or advisable in connection with the Merger Transactions under the Securities Act, the Exchange Act, the HSR Act, the DGCL, the Nasdaq and NYSE rules and regulations and any other applicable Law and (iii) take or cause to be taken all other actions necessary, proper or advisable consistent with this section 5.7 to cause the expiration of the applicable waiting periods, or receipt of required consents, approvals or authorizations, as applicable, under such Laws. Parent and the Company shall cooperate and consult with each other in connection with the making of all such filings and notifications, including by providing copies of all relevant documents to the non-filing party and its advisors before filing.

(b) As promptly as practicable after the date of this agreement (and in no event later than the date that is five Business Days after the date hereof), each of Parent and the Company shall file any Notification and Report Forms and related material required to be filed by it with the FTC and the United States Department of Justice, as applicable, with respect to the Merger Transactions (which shall request the early termination of any waiting period applicable to the Merger Transactions under the HSR Act), and shall promptly make any further filings pursuant thereto that may be necessary, proper or advisable.

(c) Each of Parent and the Company shall promptly inform the other party upon receipt of any communication from any Governmental Authority regarding the Merger Transactions. If Parent or the Company receives a request for additional information from any Governmental Authority that is related to the Merger Transactions, then such party shall endeavor in good faith to make, or cause to be made, to the extent practicable and after consultation with the other party, an appropriate response to such request as promptly as reasonably practicable. No party shall participate in any meeting or engage in any material substantive conversation with any Governmental Authority related to the Merger Transactions without giving the other party prior notice of the meeting or conversation and, unless prohibited by such Governmental Authority, the opportunity to attend and participate. Parent shall advise the Company promptly of any understandings, undertakings or agreements (oral or written) which Parent proposes to make or enter into with any Governmental Authority in connection with the Merger Transactions.

(d) Parent and the Company shall exercise commercially reasonable efforts to resolve or defend against such objections, if any, as the FTC, the United States Department of Justice or any other Governmental Authority may assert with respect to the Merger Transactions and to obtain any clearance required under the HSR Act, or any other approval, consent or authorization necessary under applicable Law for the consummation of the Merger Transactions. Notwithstanding anything to the contrary in this agreement, Parent shall not have any obligation to and, without the prior written consent of Parent, the Company shall not (i) litigate or contest any Legal Proceeding or Order, (ii) sell, license, divest, dispose or hold separate any assets, entities or businesses (including, after the Effective Time, of the Surviving Corporation or any of its Subsidiaries), (iii) terminate, amend or assign existing relationships or contractual rights or obligations, (iv) otherwise take actions that would limit their respective freedom of action with respect to, or its ability to retain, one or more of their respective businesses, assets or rights or interests therein, or (v) commit to take any such actions in the foregoing clauses (i) through (iv). Subject to the provisions set forth above, Parent and the Company shall take any of the following

actions to the extent necessary or appropriate to obtain the approval of any Governmental Authority with jurisdiction over the enforcement of the HSR Act regarding the Merger Transactions: (A) entering into negotiations; (B) providing information required by Law; and (C) substantially complying with any supplemental request for information in accordance with the HSR Act. Parent shall not require the Company or its Subsidiaries to, and the Company and its Subsidiaries shall not be required to, take any action with respect to any Order or any applicable Law which would bind the Company or its Subsidiaries prior to the Effective Time or in the event the Merger does not occur.

(e) Parent agrees that prior to the Closing Date it and its Subsidiaries will not acquire or enter into any other Contract to acquire any other business, assets or equity of any Person if such proposed acquisition would or would reasonably be expected to prevent the consummation of the Merger Transactions.

5.8 Public Announcements. The initial press release regarding the Merger Transactions shall be a joint press release by the Company and Parent. Parent and the Company shall consult with each other before issuing any press release or otherwise making any public statements about this agreement or any of the Merger Transactions and shall give each other reasonable opportunity to review and comment upon any such release or statement. Neither Parent nor the Company shall issue any such press release or make any such public statement prior to such consultation, except to the extent required by applicable Law, Order or the Nasdaq or NYSE requirements. Notwithstanding the foregoing, (a) the Company shall not be required to consult with Parent in connection with, or provide Parent an opportunity to review or comment upon, any press release or other public statement or comment to be issued or made with respect to any Takeover Proposal or with respect to any actions contemplated by section 5.3(e), section 5.3(f), section 5.3(g) or section 5.3(h), and (b) this section 5.8 shall not apply to any press release or other public statement (i) that contains substantially similar information that has been previously announced or made public in accordance with the terms of this agreement or (ii) is made in the ordinary course of business consistent with past practice and does not relate specifically to the signing of this agreement or the Merger Transactions.

5.9 Fees and Expenses. Except as explicitly provided for otherwise in this agreement, whether or not the Merger is consummated, all expenses (including those payable to Representatives) incurred by any party to this agreement or on its behalf in connection with this agreement and the Merger Transactions (“**Expenses**”) shall be paid by the party incurring those Expenses. For the avoidance of doubt, Parent shall pay all filing fees payable for filings required or otherwise made pursuant to the HSR Act or any other antitrust laws, and the Company shall not be required to pay any fees or other payments to any Governmental Authority in connection with any filings under the HSR Act or such other filings as may be required under applicable antitrust laws in connection with the Merger or the other Merger Transactions.

5.10 Company Financing. Prior to the Closing Date, upon Parent’s request, the Company shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to, prior to or at, and conditioned upon, the occurrence of the Closing, deliver all notices and take all other actions required to, at Parent’s option: (a) facilitate the termination of the commitments under the Credit Agreement (as the same may be amended, modified, supplemented, restated or amended and restated from time to time and in effect immediately prior to the Closing, the “**Subject Indebtedness**”) and repay or satisfy in full all obligations then outstanding thereunder in accordance with the terms of, and, in connection therewith, deliver to Parent, customary payoff letters reflecting such terminations and repayments (each a “**Payoff Letter**”), and, upon the occurrence of the payoff in accordance with the terms of each such Payoff Letter, deliver all notices and take all other actions required to release all of the Liens in connection therewith, or (b) obtain the waiver or consent of the parties to the Subject Indebtedness necessary to authorize the waiver or consent to the Merger Transactions in respect of the Subject Indebtedness (the “**Lender Consent**”), such Lender Consent to be in a form reasonably satisfactory to Parent.

5.11 Rule 16b-3. Prior to the Effective Time, the Company shall (and shall be permitted to) take such steps as may be reasonably required or advisable to cause dispositions of the Company’s equity securities (including derivative securities) pursuant to the Merger by each individual who is a director or officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

5.12 Notification of Certain Matters. Prior to the Effective Time, the Company shall give prompt notice to Parent of (a) any notice or other communication received from any Governmental Authority in connection with this agreement or the Merger Transactions or from any Person alleging that the consent of such Person is or may be required in connection with the Merger Transactions, if the subject matter of such communication or the failure to obtain such consent would be material to the Company, the Surviving Corporation or Parent, (b) any Legal Proceedings commenced or, to the Knowledge of the Company, threatened against the Company which relates to this agreement or the Merger Transactions and (c) any known fact, event or circumstance that would reasonably likely to result in the failure of any of the Offer Conditions or any of conditions set forth in article VI to be satisfied. Absent fraud or Willful and Material Breach of this agreement, no such notification (or failure to provide such notification) shall constitute a breach of this agreement or affect any of the representations, warranties, covenants, rights or remedies, or the conditions to the obligations of, the parties hereunder.

5.13 Delisting. The Company shall cooperate with Parent and shall use its commercially reasonable efforts prior to the Closing Date to cause the Company Common Stock to be delisted from the Nasdaq and deregistered under the Exchange Act as soon as reasonably practicable following the Effective Time.

Prior to the Offer Acceptance Time, the Compensation Committee of the Company Board (the “**Compensation Committee**”) will take such steps as are required to cause each employment compensation, severance or other employee benefit arrangement, including all Employee Benefit Plans, pursuant to which consideration is payable to any holder of any security of the Company to be approved by the Compensation Committee in accordance with the requirements of Rule 14d-10(d)(2) under the Exchange Act and the instructions thereto as an “employment compensation, severance or other employee benefit arrangement” within the meaning of Rule 14d-10(d)(2) under the Exchange Act and to satisfy the requirements of the non-exclusive safe harbor set forth in Rule 14d-10(d) of the Exchange Act.

5.15 Takeover Laws. The Company shall use commercially reasonable efforts to (a) take all action necessary to ensure that no Takeover Law is or becomes applicable to any of the Merger Transactions and refrain from taking any actions that would cause the applicability of such Laws and (b) if the restrictions of any Takeover Law become applicable to any of the Merger Transactions, take all action necessary to ensure that the Merger Transactions may be consummated as promptly as practicable on the terms contemplated by this agreement and otherwise minimize the effect of such Takeover Law on the Merger Transactions.

5.16 Resignation of Directors. Prior to the Effective Time, the Company shall cause each member of the Company Board to execute and deliver a letter effectuating his or her resignation as a director of the Company Board, effective immediately prior to the Effective Time.

5.17 Interim Operations of Merger Sub. During the period from the date hereof through the earlier of the Effective Time or the date of termination of this agreement, Merger Sub shall not engage in any activities of any nature except as provided in or contemplated by this agreement.

CONDITIONS

[Table of Contents](#)

(a) **No Orders.** No Law or Order shall be in effect (whether temporary, preliminary or permanent) restraining, enjoining or otherwise prohibiting consummation of the Merger shall have been issued by any Governmental Authority of competent jurisdiction.

(b) **Consummation of Offer.** Merger Sub shall have accepted for payment all shares of Company Common Stock validly tendered and not properly withdrawn pursuant to the Offer.

6.2 Frustration of Closing Conditions. Neither the Company, on the one hand, nor Parent or Merger Sub, on the other hand, may rely, either as a basis for not consummating the Merger or for terminating this agreement and abandoning the Merger, on the failure of any condition set forth in this article VI to be satisfied if such failure was caused by such party's breach of, or failure to perform with respect to, any provision of this agreement.

ARTICLE VII

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination by Mutual Consent. This agreement may be terminated and the Merger Transactions abandoned at any time before the Offer Acceptance Time by mutual written consent of Parent (and for all purposes under this article VII, any termination by Parent also being an effective termination by Merger Sub) and the Company.

7.2 Termination by Either Parent or the Company. This agreement may be terminated and the Merger Transactions abandoned at any time before the Offer Acceptance Time by either Parent or the Company:

(a) if the Offer Acceptance Time has not occurred by December 22, 2019 (as such date may be extended pursuant to this section 7.2(a), the "**Outside Date**"); except that the Company or Parent may extend the Outside Date from time to time in increments of 15 days to a date no later than 60 days after December 22, 2019 if the condition set forth in section (b) of annex I (if the injunction or other Order relates to antitrust laws) or section (c) of annex I (including as a result of a Government Shutdown) shall not have been satisfied or waived by the Outside Date and provided that the right to terminate this agreement under this section 7.2(a) shall not be available to any party if the failure of such party to perform any of its covenants or agreements under this agreement has been a principal cause of the failure of the Offer Acceptance Time to occur by the Outside Date; or

(b) if any Order having the effect set forth in section (b) of annex I shall be in effect and shall have become final and nonappealable, except that the right to terminate this agreement under this section 7.2(b) shall not be available to any party whose breach of any representation, warranty, covenant or agreement set forth in this agreement has been the proximate cause of, or resulted in, the issuance, promulgation, enforcement or entry of any such Order.

(c) if the Offer (as it may have been extended pursuant to this agreement) shall have (x) expired at any time when one or more Offer conditions has not been satisfied or waived or (y) been terminated or withdrawn prior to the Offer Acceptance Time (to the extent permitted under the terms of this agreement), in either case, without the acceptance for payment by Merger Sub of shares of Company Common Stock pursuant to the Offer, except that the right to terminate this agreement under this section 7.2(c) shall not be available to a party if that party's failure to perform any of its covenants or agreements under this agreement has been a principal cause of the non-satisfaction of such Offer conditions or the termination or withdrawal of the Offer.

7.3 Termination by Parent. This agreement may be terminated and the Merger Transactions abandoned at any time before the Offer Acceptance Time by Parent:

(a) if the Company breaches any of its representations or warranties, or fails to perform any of its covenants or agreements contained in this agreement, and which breach or failure (i) would give rise to the failure of a condition set forth in section (d), (e) or (f) of annex I and (ii) by its nature cannot be cured or has not been cured by the Company by the earlier of (1) the Outside Date and (2) the date that is fifteen days after the Company's receipt of written notice of such breach from Parent, but only so long as neither Parent nor Merger Sub are then in material breach of their respective representations or warranties or materially failing to perform their respective covenants or agreements contained in this agreement in a manner that would allow the Company to terminate this agreement under section 7.4(b);

(b) (i) if the Company Board or any committee thereof shall have effected an Adverse Recommendation Change (except that, any written notice pursuant to section 5.3(f) or 5.3(a), of the Company's intention to make an Adverse Recommendation Change in advance of making an Adverse Recommendation Change shall not result in Parent having any termination rights pursuant to this section 7.3(b)(i) unless such written notice otherwise constitutes an Adverse Recommendation Change) or (ii) if the Company or any of its Subsidiaries or any of the Company's or any of its Subsidiaries' Representatives shall have breached in any material respect any of the obligations under section 5.3;

(c) if any Takeover Proposal has been made public and the Company fails to reaffirm the Company Board Recommendation upon the written request of Parent within five Business Days after receipt of such request (provided that Parent may make such request only once with respect to any Takeover Proposal unless such Takeover Proposal is subsequently modified in which case Parent may make such request once each time such modification is made); or

(d) prior to the filing by the Company of the Schedule 14D-9 in accordance with section 1.2, upon at least one Business Day's prior written notice to the Company, if the Company fails to prepare and file the Schedule 14D-9 in accordance with section 1.2, except that the right to terminate this agreement pursuant to this section 7.3(d) shall not be available to Parent if Parent is in breach of any representation, warranty, covenant or agreement set forth in this agreement that has been the proximate cause of, or resulted in, the Company's failure to prepare or file the Schedule 14D-9 in accordance with the terms of this agreement.

7.4 Termination by the Company. This agreement may be terminated and the Merger Transactions abandoned at any time before the Offer Acceptance Time by the Company:

(a) in order to enter into a definitive Acquisition Agreement pursuant to and in accordance with section 5.3(f), so long as prior to or concurrently with such termination the Company pays the Termination Fee under section 7.6(b)(i);

(b) if Parent or Merger Sub breaches any of their respective representations or warranties, or fails to perform any of their respective covenants or agreements contained in this agreement, and which breach or failure (i) would, individually or when aggregated with any such other breaches or failures, reasonably be expected to result in a Parent Material Adverse Effect and (ii) by its nature cannot be cured or has not been cured by Parent or Merger Sub, as applicable, by the earlier of (A) the Outside Date and (B) the date that is fifteen days after Parent's receipt of written notice of such breach from the Company, but only so long as the Company is not then in material breach of its representations or warranties or materially failing to perform its covenants or agreements contained in this agreement in a manner that would allow Parent to terminate this agreement under section 7.3(b); or

(c) (i) prior to commencement of the Offer, upon at least one Business Day's prior written notice to Parent, if Merger Sub fails to commence the Offer in accordance with section 1.1 on or prior to the tenth Business Day following the date hereof (subject to the provisions of section 1.1), or (ii) prior to consummation of

[Table of Contents](#)

the Offer (as defined in section 251(h)(6) of the DGCL), upon at least one Business Day's prior written notice to Parent, if Merger Sub fails to consummate the Offer when required to do so in accordance with section 1.1(e), except that the right to terminate this agreement pursuant to this section 7.4(c) shall not be available to the Company if the Company is in breach of any representation, warranty, covenant or agreement set forth in this agreement that has been the proximate cause of, or resulted in, Merger Sub's failure to commence the Offer in accordance with the terms of this agreement.

7.5 Effect of Termination. In the event of termination of this agreement as provided in this article VII, notice thereof shall be given to the other party or parties hereto, specifying the provision hereof pursuant to which such termination is made, and this agreement shall immediately become void and of no effect, without any Liability or obligation on the part of Parent, Merger Sub, the Company or their respective directors, officers and Affiliates, except that:

(a) the Confidentiality Agreement, section 5.2(d), section 5.8, section 5.9, this section 7.5, section 7.6 and article VIII shall survive the termination hereof; and

(b) no such termination shall relieve any party from any Liability resulting from any liability for fraud or a Willful and Material Breach of this agreement, subject only to section 7.6(d), with respect to any such Liabilities of the Company.

7.6 Fees Following Termination

(a) Except as set forth in this section 7.6, all Expenses incurred in connection with this agreement and the Merger Transactions shall be paid in accordance with the provisions of section 5.9.

(b) The Company shall pay, or cause to be paid, to Parent by wire transfer of immediately available funds an amount equal to the Termination Fee:

(i) if this agreement is terminated by the Company pursuant to section 7.4(a), in which case payment shall be made concurrently with (and as a condition to) such termination;

(ii) if this agreement is terminated by Parent pursuant to section 7.3(b) or section 7.3(c) or by the Company pursuant to section 7.2(a) or section 7.2(c) at a time when Parent would be permitted to terminate this agreement pursuant to section 7.3(b) or section 7.3(c), in which case payment shall be made within two Business Days following such termination; or

(iii) if (A) following the date of this agreement and prior to the time of termination of this agreement, a Takeover Proposal shall have been publicly announced or shall have been made or known by the Company Board or Company management (and such Takeover Proposal shall not have been withdrawn (publicly if such Takeover Proposal shall have been made or otherwise disclosed publicly) prior to the time of the termination of this agreement), (B) thereafter this agreement is terminated (1) by the Company or Parent pursuant to section 7.2(a) or section 7.2(c) (and the conditions set forth in section (b) of annex I (if the injunction or other Order relates to antitrust laws) and section (c) of annex I are satisfied), or (2) by Parent pursuant to section 7.3(a), and (C) within 12 months following the date of such termination the Company enters into a definitive Contract with respect to or recommends any Takeover Proposal or any Takeover Proposal is consummated, in each case whether or not involving the same Takeover Proposal or the Person making the Takeover Proposal referred to in clause (A), in which case payment shall be made within two Business Days following the earlier of the date on which the Company enters into such Contract or makes such recommendation or consummates such transaction. For purposes of the foregoing clauses (A) and (C) only, references in the definition of the term "Takeover Proposal" to the figure "15%" shall be deemed to be replaced by "50%". For purposes of this agreement, the "**Termination Fee**" means an amount in cash equal to \$70,000,000.

[Table of Contents](#)

(c) The Company acknowledges that the fees and other provisions of this section 7.6 are an integral part of the Merger Transactions and that without these agreements, Parent would not enter into this agreement. Each party further acknowledges that the Termination Fee is not a penalty, but represents liquidated damages in a reasonable amount that will compensate Parent and Merger Sub in the circumstances in which the Termination Fee is payable for the efforts and resources expended and opportunities foregone while negotiating this agreement and in reliance on this agreement and on the expectation of the consummation of the Merger Transactions. Accordingly, if the Company fails to timely pay any amount due pursuant to this section 7.6, and, in order to obtain the payment, Parent or Merger Sub commences a Legal Proceeding which results in a judgment against the Company for the payment set forth in this section 7.6, the Company shall pay, as applicable, Parent's or Merger Sub's out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) in connection with such Legal Proceeding, in addition to any other amounts due pursuant to this section 7.6, together with interest on each such amount at the prime rate as published in *The Wall Street Journal* in effect on the date each such payment was required to be made through the date each such payment was actually received.

(d) For the avoidance of doubt, in no event shall the Company be obligated to pay, or cause to be paid, the Termination Fee on more than one occasion. In the event that Parent receives payment of the Termination Fee, the receipt of the Termination Fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent, Merger Sub or any of their respective Affiliates in connection with this agreement (and the termination hereof) and the Offer and the Merger (and the abandonment thereof), and, without limiting the applicability of section 7.6(c), none of Parent, Merger Sub, or any of their respective Affiliates shall be entitled to bring or maintain any claim, action or proceeding against the Company or any of its Affiliates for damages or any equitable relief arising out of or in connection with this agreement or any of the Merger Transactions, except that the foregoing shall not prevent Parent, Merger Sub or any other Person from bringing or maintaining a claim, action or proceeding based on fraud or a Willful and Material Breach of this agreement.

If an ambiguity or a question of intent or interpretation arises, this agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this agreement.

8.14 Assignment. This agreement shall be binding upon and shall inure to the benefit of the parties hereto and their permitted successors and assigns. No party to this agreement may assign or delegate, by operation of Law or otherwise, all or any portion of its rights or obligations under this agreement without the prior written consent of the other parties to this agreement, which any such party may withhold in its absolute discretion; except that Parent and Merger Sub may assign any or all of their respective rights and obligations under this agreement, without the prior written consent of the Company, to any of Parent's Affiliates, except that no such assignment shall relieve Parent of its obligations hereunder. Any purported assignment not permitted hereby shall be null and void.

8.15 Specific Performance

(a) The parties to this agreement agree that irreparable damage would occur if any of the provisions of this agreement were not performed in accordance with their specific terms or were otherwise breached, and that

money damages or other legal remedies (including those as set forth in section 7.6) would not be an adequate remedy for any such non-performance or breach. It is accordingly agreed that, subject to section 8.15(b), the parties to this agreement shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this agreement and to enforce specifically the terms and provisions of this agreement in the Chosen Courts, without proof of damages or otherwise, this being in addition to any other remedy at law or in equity, and the parties to this agreement hereby waive any requirement for the posting of any bond or similar collateral in connection therewith. Each party hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that or otherwise assert that (i) the other party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity.

(b) Notwithstanding anything to the contrary in section 8.15(a), the right of the Company to seek an injunction, specific performance or other equitable relief in connection with enforcing Parent's obligation to fund the Offer Price and the Merger Consideration and Parent's and Merger Sub's obligations to cause the Offer Acceptance Time to occur and to effect the Closing (but not the right of the Company to seek such injunctions, specific performance or other equitable relief for any other reason) shall be subject to the requirements that (i) all of the Offer Conditions have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Offer Acceptance Time, but subject to such conditions being able to be satisfied) or waived at the Expiration Time, and (ii) the Company has irrevocably confirmed that it would take such actions required of it by this agreement to cause the Closing to occur.

8.16 Counterparts; Effectiveness. This agreement may be executed in one or more counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this agreement may be made by electronic or digital delivery such as in Adobe Portable Document Format or using generally recognized e-signature technology (e.g., DocuSign or Adobe Sign). This agreement shall become effective when, and only when, each party hereto shall have received a counterpart signed by all of the other parties hereto.

(iv) set forth in the Agreement, other than those sections specifically identified in clauses (i) through (iii) of this section (d), shall not be true and correct (disregarding all qualifications or limitations as to “materiality”, “Company Material Adverse Effect” and words of similar import set forth therein) as of the date of this agreement and as of the Expiration Time with the same effect as though made as of the Expiration Time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except, in the case of this clause (iv), where the failure to be true and correct, individually or in the aggregate, has not had and would not reasonably be expected to have a Company Material Adverse Effect.

(e) **Compliance with Covenants.** The Company shall not have complied with or performed in all material respects each of its obligations required to be complied with or performed by it prior to the Expiration Time under the Agreement and such failure to comply or perform shall not have been cured by the Expiration Time.

The capitalized terms used in this annex I shall have the meanings set forth in the Agreement to which it is annexed unless specifically defined in this annex I.

VMware Enters Definitive Agreement to Acquire Carbon Black

Combination creates highly differentiated, intrinsic security cloud that will protect workloads and clients through big data, behavioral analytics and AI

\$26 per share cash transaction, representing an Enterprise Value of \$2.1 billion

PALO ALTO, Calif., August 22, 2019 (GLOBE NEWSWIRE) – VMware, Inc. (NYSE: VMW), a leading innovator in enterprise software, and Carbon Black (NASDAQ: CBLK), a leader in cloud-native endpoint protection, today announced that the companies have entered into a definitive agreement by which VMware will acquire Carbon Black in an all cash transaction for \$26 per share, representing an enterprise value of \$2.1 billion. Following the close of the transaction, VMware will be positioned to provide a highly differentiated, intrinsic security cloud that will better protect enterprise workloads and clients through big data, behavioral analytics and AI.

Carbon Black is a leading next-generation security cloud provider with more than 5,600 customers and 500 partners globally. The company’s innovative cloud-native security platform leverages big data and behavioral analytics to provide comprehensive endpoint protection against even the most advanced cyberattacks. The combination of Carbon Black’s solutions with VMware’s security offerings, including AppDefense, Workspace ONE, NSX and SecureState, will create a modern security cloud platform for any application, running on any cloud, on any device. This combined offering will provide customers advanced threat detection and in-depth application behavior insight to stop sophisticated attacks and accelerate responses.

The distribution and enterprise reach of VMware and Dell will further accelerate the adoption of Carbon Black in the enterprise, both through direct selling and through partners, including leading managed security players, channel partners and system integrators.

“The security industry is broken and ineffective with too many fragmented solutions and no cohesive platform architecture. By bringing Carbon Black into the VMware family, we are now taking a huge step forward in security and delivering an enterprise-grade platform to administer and protect workloads, applications and networks,” said Pat Gelsinger, CEO, VMware. “With this acquisition, VMware will also take a significant leadership position in security for the new age of modern applications delivered from any cloud to any device.”

“Today marks an exciting milestone for Carbon Black, VMware and the entire cybersecurity industry,” said Patrick Morley, CEO, Carbon Black. “We now have the opportunity to seamlessly integrate Carbon Black’s cloud-native endpoint protection platform into all of VMware’s control points. This type of bold move is exactly what the IT and security industries have been looking to see for a very long time. We look forward to working with the VMware team to continue delivering a modern security cloud platform

to customers around the world. Additionally, we're pleased that today's transaction provides Carbon Black's shareholders with immediate and substantial value."
